

# Phenomena (DA DA)

Words and Music by  
Aodhan King, Ben Tan, Melodie Wagner,  
Aaron Hollinger & Joshua Kpozehouen

You are the reason for life  
The air inside my lungs  
You've taken hold of my heart  
And there's no doubting  
That Your love is unexplainable phenomenal  
And what Your grace has done is nothing  
but a miracle  
So tell me how could I ever turn away  
from You  
When You've always been the Way the  
Life and the Truth

You've given me a new heart  
True reality  
I'm living for the One who set me free  
You've given me Your vision  
Better than a dream  
You ain't gotta wake me up it's not  
a fantasy

**My friends keep saying I've changed  
I'm acting different now  
They wanna know what I know  
They want the Truth  
And so I told them if you're free on Friday  
come to youth with me  
Leave your past right at the door  
And you'll never be alone**

**You've given me a new heart  
True reality  
I'm living for the One who set me free  
You've given me Your vision  
Better than a dream  
You ain't gotta wake me up at all**

**You turned my life  
Right upside down  
You set my feet  
On higher ground  
Now I'll never be the same  
It's not a phase**

**Da da da da da da da da  
Da da da da da da da da da da**

**I'll never be the same  
My heart's forever changed  
I know the old me is over and buried in the  
grave  
I don't care what they say 'cause  
I'll never be ashamed of  
His love that saved me 180  
The type that's never fading  
So now throw up your hands if you know  
Him  
Then go ahead and call up your friends  
'cause we out here on a Friday where it  
began  
And if you owe it all to Jesus go do your  
dance**

**One, Two, Three, Four**

**Da da da da da da da da**
