## VERSE 1

**G#m7**  
This is a song for the valleys  
**Esus2 B**  
For the harder days  
**G#m7**  
Something to remind me  
**Esus2 B**  
When I've lost my way  
**F#/A# G#m7 Esus2**  
And even though it's dark right now  
**B**  
I know morning comes  
**G#m7 Esus2**  
'Cause You're the God of the promise  
**B**  
And what You say is done

## PRE-CHORUS 1

**G#m7 F#/A# B**  
And in the battle when I'm surrounded  
**C#m7 B F#sus**  
Still my soul will hold to all You've said

## CHORUS

**G#m7**  
You're my refuge and strength  
**E B**  
My yes and amen  
**G#m7**  
Put my trust in Your Name  
**E B**  
'Cause You have never failed me yet

## CHORUS (cont.)

**F#/A# G#m7**  
You're the breaker of chains  
**E B**  
Defeated the grave  
**G#m7**  
All my hope in Your Name  
**E B**  
'Cause You have never failed me yet

## VERSE 2

This is a prayer for the desert  
When the road seems long  
Waiting for the promise  
That is yet to come  
And even in the wilderness  
You will lead me home  
Jesus You are with me  
You're my only hope

## PRE-CHORUS 2

And in my failure and through my weakness  
Still my soul will hold to all You've said
